

Murphy Band - 2024 Fall Semester Calendar

All rehearsals, games, competitions, etc., are mandatory for all members. Any student needing to miss a rehearsal or performance needs to get permission before the day of that rehearsal or performance. Any emergency absences will be handled on a case-by-case basis. If missing rehearsals becomes a regular occurrence, that student may be subject to removal from the marching band.

Dates and times may change, please check murphyhsband.com/calendar and the BAND app for up-to-date information.
