Institutional Policies

Bishop State Attendance Policy

Class attendance is strongly encouraged. Students are expected to attend all classes as scheduled and exercise regularity and punctuality in attendance. Excessive absences may affect a student's final grade. Absences will be recorded for each class, and no absences will be considered excused. Absences are counted from the first day of the student's registration in the course. The attendance policy for classes on special schedules, such as the Health Related Programs, will be announced during the first class meeting by the respective departments. These attendance policies take precedence over any other policy. Students are responsible for all coursework from the first scheduled day of class. Students must abide by coursework and test makeup policy indicated in the course syllabus. Exceptions to any attendance policy will be made only for persons required to fulfill military duty, jury duty, or court witness obligations. Students must request approval for these exceptions in

advance and provide documentation to the Admissions Office on the Main Campus prior to the scheduled dates of absence. Exceptions must be approved by the College Registrar or the Chief Student Affairs Officer.

2. If you directly quote works written by someone else, enclose the quotation with quotation marks and provide an appropriate citation (e.g. footnote, endnote, bibliographical reference).
3. Research, as well as the complete written paper, must be the work of the person seeking academic credit for the course. (Papers, book reports, projects, and/or other class assignments).

DISCIPLINE: FACULTY MEMBERS MAY RESPOND TO CASES OF PLAGIARISM IN ANY OF THE FOLLOWING WAYS:
